## SERVICE-LEARNING COMMUNITY PARTNER PROFILE

# COMMUNITY DEVELOPMENT DIVISION

**Mission Statement:** To ethically, efficiently, and creatively provide a complete range of services to protect health and safety and to meet the changing needs of Fresno County, working as a team in using new technologies while simultaneously enhancing our employees' lives and providing superior returns to our customers.

**Services Provided:** The Community Development Division of the Dept. of Public Works and Planning provides a variety of services and activities to improve the quality of life and ensure a healthy economy for residents of unincorporated Fresno County and its partner cities. The Community Development Division administers the County's Affordable Housing Programs (AHP), Community Development Grants, and Economic Development Programs.

Program activities include housing rehabilitation and down payment assistance, public facility and infrastructure improvement projects, community development activities, social services programs, the Sheriff's Area Based Policing program, economic and business development, and industrial development bonds.
