

MARKETING AND LOGISTICS DEPARTMENT

CRAIG SCHOOL OF BUSINESS

SERVICE-LEARNING COMMUNITY PARTNER PROFILE

CONSERVATION CORPS

Mission Statement: The Department of Conservation's mission is to protect Californians and their environment by: protecting lives and property from earthquakes and landslides; ensuring safe mining, and oil and gas drilling; conserving California's farmland; saving energy and resources through recycling.

Services Provided: Protect the natural environment and public health and safety by enforcing responsible mining, timber, petroleum, and geothermal activities; mitigate the impacts of earthquake and other geologic hazards by collecting, processing, analyzing and disseminating critical hazard information in a timely manner; increase beverage container recycling and ensure the long-term availability of agricultural land and minerals; deliver the highest quality service to the citizens of California through the expertise and work of Department employees.
