SERVICE-LEARNING COMMUNITY PARTNER PROFILE

GOODWILL INDUSTRIES

Mission Statement: Goodwill Industries is a not-for-profit agency that provides job training and placement services to assist people with employment barriers to become self-sufficient. The Agency is especially committed to serving people with disabilities. Goodwill does this by operating retail stores and other businesses in the community that provide on-the-job training and fund Goodwill's programs.

Services Provided: All proceeds from Goodwill retail operations help fund job services for people with barriers to employment. Currently, training centers are located in Fresno, Modesto, and Stockton. Off-site job programs deliver additional services to people in Tracy and Manteca.
