HOUSE OF HOPE FOR YOUTH

Mission Statement: To develop programs in accordance with the needs, interests, and resources of the local youth population, to support law and justice and the prevention of crime delinquency.

Services Provided: To enable the youth to develop knowledge and understanding for the role of the citizen, both as the citizen's responsibility to the community and the responsibility of community to the citizen. To develop resources in the community, such as enlisting volunteers to work with the youth and provide job resources for after school and weekend job placement.
