SERVICE-LEARNING COMMUNITY PARTNER PROFILE

Madera Parks and Community Services

Mission Statement: Where People Have the Best Day Everyday

Services Provided: The Department has several Divisions with a variety of offerings which provide meaningful recreational, social and educational experiences.

Parks Division: This Division has a team of qualified staff who maintain the City's public parks, landscape medians, and public facility landscaped areas. There is also a multitude of municipal areas within the public park spaces which are maintained and repaired such as group pavilions, amphitheater, picnic shelters, playgrounds, gymnasiums and municipal swimming pool.

Recreation Division: The Recreation Division provides a multitude of classes, activities and special events as part of its operation. The Division hosts the best sports facilities in the Central Valley and coordinates softball, basketball and t-ball for youth and adults. Special interest classes special to each season, are also provided for all age groups.
