

SERVICE-LEARNING COMMUNITY PARTNER PROFILE

MARJAREE MASON CENTER

Mission Statement: The Marjaree Mason Center (MMC) is organization dedicated to the elimination of domestic violence and homelessness through prevention and intervention including education, counseling and shelter

It is the only program of shelter and comprehensive supportive services for women and children victimized by abuse and homelessness in Fresno County.

Services Provided: MMC addresses the serious and life-threatening issues of domestic violence and homelessness for women and their children by offering programs of multilevel intervention. MMC's residential program consists of three individual programs, each with varying eligibility requirements and program curriculum and expectations.
