## SERVICE-LEARNING COMMUNITY PARTNER PROFILE

# RAPE COUNSELING SERVICES

**Mission Statement:** The mission is to alleviate the trauma of sexual assault and/or child molestation, to educate the public and raise the level of awareness regarding rape and child abuse prevention.

**Services Provided:** Program services offered include individual therapeutic counseling sessions, group therapy, in-home visits and prevention education services to both children and parents. An advocate will work on behalf of the child with involved agencies such as law enforcement, the District Attorney and Children's Protective Services. A 24-hour hotline will provide crisis intervention services and after-hours counseling.
