SERVICE-LEARNING COMMUNITY PARTNER PROFILE

UNIVERSITY HOPE

Mission Statement: To capture the imagination, energy, and commitment of students, faculty, and staff in order to productively and responsibly involve them in the work of providing adequate housing for families in need. Grounded in the Judeo-Christian tradition, open to persons of all faith traditions, University Hope seeks to connect our spiritual lives to the needs of the world.

Services Provided: To build hope in our community by constructing new homes (one house per year) for low-income, 1st time homeowners, and to rehabilitate existing homes of needy families and thereby helping to improve neighborhoods.
