FRESNO ARTS COUNCIL

Mission Statement: Our mission is to “Enrich Peoples lives through the Arts”. Our purpose is to foster an arts community that recognizes and honors the contributions of its citizens to the arts; advocate to city, county, state and national institutions on issues of concern to valley artists; collaborate with community leaders, businesses, corporations, foundations and other arts organizations to bring artists and audiences together.

Services Provided: The Fresno Arts Council conducts various programs to the Fresno community. These programs are vital to the arts and culture scene in our City and County and include:

- Regranting to Arts and Culture Organizations
- Technical Assistance
- Public Art
- Information Services
- Networking and Facilitation of Arts & Culture
